## Swansea University

[The Hillary Rodham Clinton School of Law](#) is home to a thriving academic environment, supported by staff with extensive real-world experience.

At the School of Law we enjoy an international reputation and prepare our students for a range of careers that make a difference to society, combining [high quality education](#) with the skills needed for successful academic or professional careers.

Our students are at the heart of our Law School. We provide unique and contemporary education, boosting our students' prospects with experiential learning opportunities, such as working with our [Law Clinic](#), and placements with a range of key partners. Students are able to learn new and specialised career skills via our range of [professional courses](#). The School will introduce new Master's courses for law and non-law graduates later in the year. Details will be published on our website soon.

Location

Wales (Swansea)

### **Courses**

[Legal Practice Course \(LPC\)](#), [LLM, Legal Practice and Advanced Drafting](#), [LLM Professional Legal Practice](#), [LLM Law and Legal Practice](#)
