

Tracking your form

Image

Form Status

Not submitted

What this means

You have created an application form but not yet submitted it.

You can still edit every section of your form.

You cannot create a new form for the same course.

A reference request has not been sent to your referee.

Your application has not been released to any course providers.

Form Status

Submitted

What this means

You have submitted your form.

A reference request has been sent to your referee but the reference has not yet been provided.

You can no longer amend your form; any changes need to be made by LawCAB.

You cannot create a new form for the same course.

Your application has not been released to any course providers.

Form Status

Released

What this means

Your referee has submitted a reference for you.

You cannot amend your form; any changes need to be made by LawCAB.

You cannot create a new form for the same course.

Your application is released and now with your chosen institutions to consider.

Form Status

Closed

What this means

Your application is closed on the system.

No further changes can be made to it.

You can create a new application form to apply for the same course for a new academic year.
